Bal Bharati
PUBLIC SCHOOL

NTPC Jhanor Po. Urjanagar-Pin. 392215
Bharuch (Guj.) Ph. 02642-287840

Child Education Society, the apex body of Bal Bharati Public Schools all over the country, was set up in the year 1944 during the pre-independence era with an aim to preserve and foster Indian culture, heritage, tradition and ethos to uphold the vision of our elders. In order to achieve these objectives, it became obligatory for the Society to educate the young people. Thus, the Society was registered under the Registration of Societies Act, 1860.

The affairs of the Society are managed by the Board of Management consisting of eminent educationists and social workers. It is headed by Mr. Nikhil Channa, a distinguished educationist and philanthropist, as the President of the Society. The Society, at present runs 26 institutions which include 13 core schools, 13 Project schools in collaboration with the Indian Railways and National Thermal Power Corporation (NTPC). Bal Bharati Public Schools are progressive, co-educational English medium schools. Hindi enjoys its place of pride as the National Language in the school curriculum.

The schools built by the Society are set in congenial surroundings. They are housed in modern attractive buildings which are internet enabled and equipped with all requisite facilities, well stocked libraries, laboratories, computers, audio - visual equipment, facilities for creative arts, indoor as well as outdoor games and swimming pools.

Bal Bharati's educational philosophy is inspired by the maxim “आ नो भद्राः क्रतवो यन्तुववश्चतः” that is, “Let noble thoughts come to us from all sides.” The school provides comprehensive education keeping in view the country's rich heritage and cultural background, and provides a plethora of opportunities for the development of different facets of the child's personality.

Besides academic excellence and intellectual development, the school endeavours to help each child discover and develop his/her innate talents and abilities. It seeks to instil in the children good habits, positive attitude and values such as honesty, unselfishness, self-respect, self-control, sense of duty, good manners, fair play, team spirit, dignity of labour, punctuality, compassion, freedom of mind and a rational and scientific approach.

While providing exposure to world culture and traditions, conscious effort is made to foster pride and love for the country and its great heritage among students. The tradition of tolerance epitomized in the noble phrase “वसुधैव कुटुम्बकम्” – “the whole world is one family”, is inculcated.

Bal Bharati Public Schools are comprehensive, co-educational English Medium Schools. Hindi enjoys its place of pride as the National Language in its curriculum

Staff

“Only a teacher who vows to be a persevering learner can be a true teacher.”

Breaking the dawn of school education being addressed as elementary education, BBPS never compromises with the quality of its teachers. We, here at BBPS, have always believed in providing the best to our students to never let down the faith that you have been showing in us for the last 22 years.

The school has 25 highly qualified, experienced faculty for imparting education and guidance to students. Staff members are regularly encouraged and supported to pursue online and offline courses or workshops to update and hone their teaching skills as well as to mentor the students effectively. In addition, the school’s functioning is further enhanced with the help of the contractual staff, office staff, and the support staff.

ACADEMICS

PRESCHOOL EDUCATION SYSTEM:

In line with the overarching aims of national education and its underlying principles, in preschool education system we pursue the following objectives:

- Ensuring smooth physical, mental and emotional development of children and acquisition of positive habits.
- We consider the needs of children and individual differences.

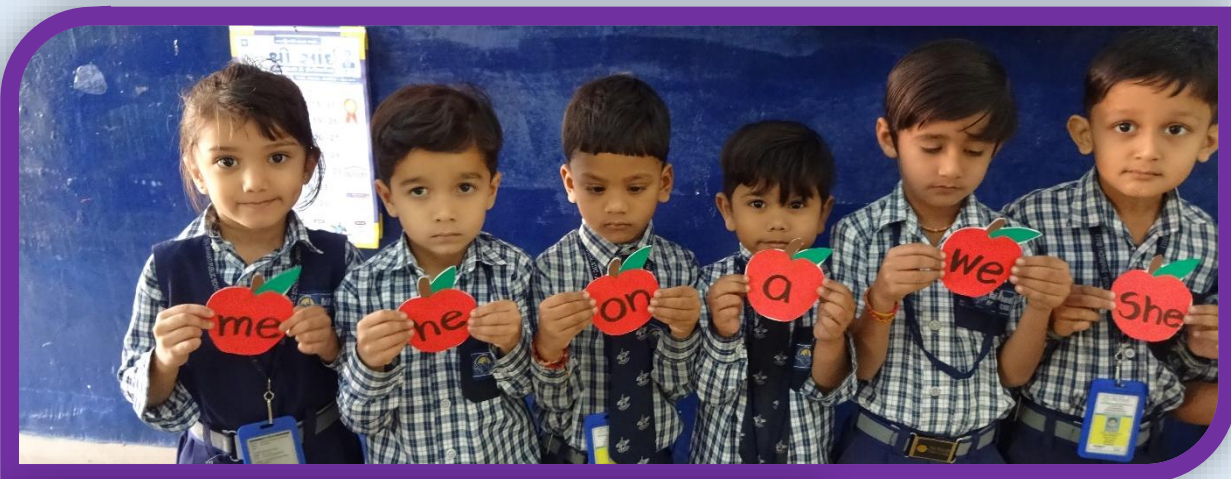

- We support in developing the psychomotor, socio-emotional, linguistic and cognitive skills of the child. The effort is to build self-care skills and prepare the child for primary education.

- We take care that the development of children grows in terms of affection, respect, cooperation, responsibility, tolerance, solidarity and sharing.
- Play-way is the best method of teaching and learning for children in this age group. All activities are arranged based on this method.

- Children are supported in developing their imaginative, creative and critical thinking skills along with communicative and self-expressive powers.

PRIMARY SECTION

Education in the early years is vitally important for the children to acquire basic skills where foundations are laid on which future learning can take place. If children are well motivated, enthusiastic, interested and happy then they learn more effectively. We aim to develop skills in a creative, imaginative and original way rather than imparting knowledge in closed doors. Each child is encouraged to reach the highest potential and motivated to continue learning.

“To strive for better and better services -finding solutions not excuses”- to achieve this motto of our school, we are focussing on 21st century skills where each child feels independent, safe and comfortable with their learning environment and employ their learning in real life context.

To achieve this aim, it is important that children acquire adequate knowledge and skill in other core areas like Health and Physical Education, Life skills, Value Education, Art and Work Education. Thus, the milestone is laid down for holistic development of each child to reach pinnacle of success.

MIDDLE

Here learning is a leeway and further alliance of the educational that starts of the Primary Stage. Qualitative education is offered to the students through the medium of interactive panels that make learning easy and fun.

Contradictory to the memorization and same old recitation practices to teach the students, now with modern teaching methods, interactive methods of teaching have been introduced. Modern teaching methods focus more on questioning, demonstration, explaining, practical, collaboration methods, and are more activity-based that includes storytelling, experiential learning, art integration, project-based learning, map reading, peer learning etc.

At this level, the students are motivated to participate actively in curricular and cocurricular activities and different inter house, inter school competitions.

SECONDARY

At this stage the school offers CBSE curriculum.

SENIOR SECONDARY

BBPS has sustained a high academic standard over the past 22 years. Through challenging academic exercise and intellectual vigour, students are trained to become critical and compassionate thinkers. At the plus two level science stream is available. One language (English Core) and four electives can be selected from the list of subjects given below. The subjects offered are: Physics, Chemistry, Computer Science and Maths/Biology. Emphasis is also given to Work Experience, Physical and Health Education and General Studies which includes social issues of national and international interest.

ASSESSMENT OF SPEAKING AND LISTENING SKILLS (ASL)

Keeping up with the changing times, the Central Board of Secondary Education (CBSE) initiated a new drive to enhance the use of English Communicative Language in 2013-14 that includes a specific section of 'Assessment of Speaking and Listening Skills' for Grades 9th to 12th so as to facilitate a better and confident use of the language, especially for public.

RESULTS 2024

Our students have emerged with flying colours in SSE and SSCE Examination 2024. Mohd. Zainul Patel was the topper in SSE with 91.4%. Chaitanya Bhoite bagged first position in SSCE with 93.8%.

SCHOOL SYSTEM AND ACTIVITIES

HOUSE SYSTEM

In order to develop the qualities of self-confidence, leadership, mutual understanding, cooperation, public speaking and to provide opportunities for team work and healthy competition in Sports, Academics, Literary and Cultural activities, the School is divided into four houses.

1. Ashoka

2. Shivaji

3. Tagore

4. Raman

Several events and competitions are held throughout the year both at intra & inter-school level to encourage mass participation of students.

Annual Day, Sports Day, Independence Day, Republic Day, Art, Science and Social Studies exhibitions (Project Display) and various festivals are also celebrated with elaborate programmes, festivity and fervour.

STUDENT COUNCIL

“Leaders are not born but are made by their experiences in life”.

To inculcate the leadership qualities in the students and to give them a feel of functioning of the administrative body, a school prefectorial board is formed each year and appointed via a formal investiture ceremony. This team works closely with the authorities to

support the institution in its everyday functioning. This student body acts as a link between the teachers and the students and also takes on the responsibility of guarding/leading the students appropriately.
